## EDUCATION

---

**Balaji Institute Of Technology and science, (Warangal.)**

*November 2021 - Present*

Bachelor of technology

*CGPA: 7.3*

Computer Science and Engineering

**Shine Junior College**

*2019-2021*

Higher Secondary

Percentage: 88.0

**Shine High School**

*2018-2019*

Secondary

CGPA: 8.7

## CAREER OBJECTIVE

---

I am a motivated Computer Science Engineering student with a passion for technology and innovation. I bring strong skills in programming languages such as Python and Java, along with experience in developing projects that enhance both functionality and user experience. I am eager to contribute my knowledge while continually learning and growing in a dynamic work environment.

## TECHNICAL SKILLS

---

Python programming

Java programming

HTML CSS and JavaScript

MySQL

## PROJECTS

---

### Detecting plant diseases using CNN Algorithm

- Developed a deep learning model leveraging CNN to accurately identify and classify plant diseases from leaf images
- plant diseases from leaf images with 90 percentage accuracy, enabling early detection and helping reduce crop loss by 30 percentage. The system has been implemented in 5 agricultural fields, improving overall productivity.

### Photo Sharing with a Trust-Based Privacy Policy

- Designed a privacy-enhancing feature for online social networks, enabling users to selectively share posts and descriptions based on trust levels
- Designed a privacy-enhancing feature for online social networks, allowing users to share posts based on trust levels with up to 4 different audience categories.

### Building a Spotify Clone

- Built a Spotify-like music streaming platform with real-time song streaming capabilities, supporting 100+ concurrent users. Integrated user authentication and playlist management

## **CERTIFICATIONS**

---

Java Internship from Upskillcampus  
Fundamentals of Python by Infosys Springboard  
CCNAv7 – Cisco Networking Academy  
Cyber Security Essentials - Cisco Networking Academy  
web development-coding raj

## **POSITION OF RESPONSIBILITY**

---

Class Representative  
Tam Lead (Minor and Major Projects)

## **PERSONAL TRAITS**

---

Highly motivated and eager to learn new things  
Strong motivational and leadership skills  
Ability to work as an individual as well as in group

## **PERSONAL INFORMATION**

---
